Order Form acceptance wording

By accepting this Order Form, Customer agrees to the VoxTable SaaS Subscription Terms (Version 2.1), the VoxTable Data Processing Addendum (Version 2.1), and the regional schedule applicable to the Customer Territory, each incorporated into this Order Form by reference.

The Order Form should record the Customer legal name, Territory, plan, fees, usage allowances, Subscription Term, renewal/cancellation terms, service configuration, accepted Terms version, acceptance timestamp and accepting user.

Operational completion points

- Maintain the Subprocessor Register as a live webpage and notify UK customers of material new subprocessors in accordance with the DPA.
- Where UK Personal Data is subject to a restricted international transfer, complete and maintain the appropriate UK transfer mechanism and transfer assessment before that transfer is relied upon.
- Keep the Privacy Policy, Cookie Policy and call-opening notice aligned with the actual product configuration, provider locations and retention settings.
- Re-review the Australia automated-decision privacy disclosure before 10 December 2026 and whenever the product begins making decisions that could reasonably be expected to significantly affect an individual's rights or interests.
